HAMKO PLASTIC

HAMKO Industries Limited (HIL) was established with the objective to produce battery separators and battery containers along with covers, handles vent plugs of different sizes and colors.
As part of the production experience, in 2011 HAMKO Industries Ltd diversified in the production of plastic products using injection molding technology and started producing plastic household products. Colorful and creative designs coupled with quality, has made HAMKO plastic products very popular to its customers in a short span of time. HIL is the first in Bangladesh to introduce big size plastic furniture like Wardrobe, Cabinets, dining tables, Chairs, Kitchen rack etc by the motto "Innovative design for your life style."

Success in plastic products gave HIL confidence to venture into cookware business for a new technology first in Bangladesh from 2014. HIL cookware maintains highest quality standard to ensure safe cooking living by the motto "Healthy way to cook". Hamko Industries Limited successfully exported its products to India, France, Middle East, Nepal, America & African Market.
